WEDDING INFORMATION

"If I could, I'd host every event at The Boathouse at Sunday Park. The setting and views speak for themselves, but the staff goes to extreme lengths to elevate the whole experience to a new level. Our guests were so complimentary of the venue, the staff, the food, the drinks, all of it. It was the best day of our lives and The Boathouse played such a huge role in it. We are so grateful to have been able to be married in such a special and beautiful place!" - Anne, read more on theknot.com
